It is possible among us that "whatever we undertake we complete."

In 1910 our church subscribed over \$50,000.00 to the 75 million campaign. We have as yet paid only about a third of the total amount, but not withstanding all our serious financial hardships not a subscriber has been found who does not expect to meet his pledge.

Our B. Y. P. U., organized in April, 1913, has made an enviable record of growth, efficiency and service, winning again and again honorable recognition in our city and state. At one time, it held three efficiency banners, one from the city, one from the Regional District, and one from the state at large. It is now divided into two Senior unions, one Intermediate, and one Junior union.

Space forbids the mention of the splendid work of our Woman's Missionary Society, presided over for twenty years by its efficient President, Mrs. W. O. Mitchell.

Neither can we repeat the names of all those who have served in many and unnamed ways. But our Lord is keeping a book of remembrance, and in the day when He makes up His jewels they shall all be His.

Let us, then, "be steadfast, unmovable, always abounding in the work of the Lord, for as much as we know that our work shall not be in vain in the Lord."

KIRKWOOD BAPTIST CHURCH

1912 - 1922

This leaflet is called forth by the fact that the Kirkwood Baptist Church celebrates today (Nov. 5, 1922) the tenth anniversary of its pastor, Rev. J. L. Jackson.

The accompanying statistical table reveals the fact that when our pastor began his work with us on Nov. 1, 1912, there were only 179 names on our church roll. During the ten years 302 have been added to the church by baptism and 447 by letter, making a total ingathering of 749. There were, however, 274 dismissions by letter, 30 losses by death, and some exclusions not appearing in the table, which reduce our gains to 436, or a total present membership of 615.

Our Sunday School has kept pace with the growth of our church, increasing from an enrollment of about 175 in 1912 to about 600 in 1922. Those who have served as Superintendent during the ten years are as follows: J. M. Shannon, 1912-1917; C. M. Kenimer, 1917; H. W. Dews, 1917-1919; A. G. Sullivan, 1919-1921; T. B. Ham, 1921-..... The greatest growth has been experienced under Superintendent Ham.

It will be noticed also, that our church's contributions, as reported to the Atlanta Association from year to year increased steadily from about \$3,800.00 in 1913 to nearly \$15,000.00 in 1921. It is to be noted, however, with regret, that due to the serious financial hardships of many of our people in common with those of the country at large, there was a considerable slump in 1922. It is confidently expected, however, that with returning prosperity our church will soon advance far beyond any achievement of the past.

The handsome residence now occupied by our pastor was acquired in 1913 and is easily worth twice the purchase price.
