

DeKalb History Center

Atlanta City Directories

Scope and content: This collection is by no means complete, but a wealth of house and resident information, often listing spouses and occupations. The city and suburban directories are in a single volume until 1956, when the book became too large and Atlanta was divided into separate city and suburban directories.

List of Volumes

Single Volume Atlanta

1887	1919	1930	1942
1889	1920	1931	1943
1892	1921	1932	1944
