

DeKalb History Center

DeKalb County Development Report

Scope and Content: A collection of seven years of the DeKalb County Annual Development Report, 1992-1998. Included in the reports are such things as land use statistics, residential construction activity, major building permits, zoning and rezoning activity, population information and public and private sector development, such as water and sewer, libraries, schools and public safety.

Provenance: Unknown, Temporary Accession # FITS.418.

Access: Single photocopies may be made for research purposes. Permission to publish materials from this collection must be requested from the Archivist, DeKalb History Center. Citations should be made as follows:

Description of specific item, DeKalb County Development Report, Year, DeKalb History Center Archives

Processed by Jill Sweetapple, Archivist, 2011.

Size: 1/2 manuscript box.

Organizational Sketch of the DeKalb County Planning Department: The department, as of December 2010 is called the DeKalb County Planning and Sustainability Department and they handle building permits and codes, community development, property inspections and historical preservation. They serve primarily as the liaison between the residents of DeKalb County and various government departments such as the CEO, board of Commissioners and citizen-appointed boards.

Note: information for above courtesy Planning department website:

<http://www.co.dekalb.ga.us/planning/mainPage.html>

Description: The collection has annual reports from 1992 to 1998, each with county information on road improvements, parks and schools, plus population and demographics figures. There are also maps on existing land use and major building permits issued for that particular year.

Subject Headings: Where possible, Library of Congress Subject Headings have been used.

Main Entry: DeKalb County (Ga.)

Subject/Added Entries: DeKalb County Planning Department (Ga.)
DeKalb County Department of Planning
and Sustainability (Ga.)
