Dear Louise: *

In the Census of Revolutionary Pensioners published by the Federal Government in 1839 appears the following

Gunnell County

William Gunnell \$8⁰⁰ per mo.

Private North Carolina Line.

Pension commenced Oct 7, 1818.

Transferred from Greenville District, South Car.

This is all I have been able to find about this Rev. Polder, but I feel sure he is the man buried in the old Master's Cemetery.

Looks like the stones furnished by the Govt. or D.A.R. Some one should know about this man, but who.

(* Louise: Mrs. H.H. Grotti) Sincerely yours
Howard M. Ashew
