I called the first of the week for directions to the Leverette Cemetery and I just wanted to write a quick note to let you know that I did find the cemetery. I would like to update your directions.

The cemetery is located in the Deere Creek subdivision off of Bermuda Rd. It is located between two houses on Malvern Blvd. It is between #'s 730 & 718. Bermuda Rd turns off of Deshon Rd.

There is a rock/concrete wall with a gate, built in 1932, according to the date scratched in the concrete. My GGGrandparent's are James. E. Leverette and Telithia Leverette, born in 1807. They were cousins who married each other. I believe they were both born in Wilkes county. They are in this cemetery along with some of their children.

Please update your directions to make it easier for the next Leverette descendent to find.
