I, Betty S. Blizzard have held the office of Justice of the Peace for the past 4 years. This office was held by my father R. T. Sills before his death and I worked for him during his term in office. I am now and have been the Secretary of the DeKalb Co. Justice of the Peace and Constables Assn. for the past 2 years.

I am 37 years old and have lived in this the 686 Dist. of DeKalb County my entire life. I have been married for 17 years and have 2 children. My family and I are members of the Brookhaven Methodist Church and also members of the P.T.A. of Ashford Park and Cross Keys High School.

I have enjoyed my past term in office and earnestly desire the opportunity to serve my community in this office again.
