

FAMILY CEMETERY

Location: Northside of LaVista between Briarcliff Rd and North Druid Hills -- opposite Houston Mill Rd,
Land Lot # 110, 18th District, Decatur District

Recorded Sept 6, 1947

This old cemetery, now barely distinguishable as such, is in the woods several hundred feet from LaVista Rd. Site marked by two dead and burned cedar trees and a mass of other growth. Several stones, uninscribed, were lying around on the ground.

According to Mrs. Plunkett, an elderly woman at LaVista Road nearby, no interments have taken place in the cemetery since 1881, in which year a child of Mr and Mrs Craig was buried. Mrs Plunkett said the only two interments she knew of were an old man named Mitchell and a Mr Mel Holland, both about 1880.
