

## READY FOR THE CURTAIN AT FOREST HILLS ELEMENTARY

A primary special education class and the second grades at Forest Hills Elementary School last week presented their version of the musical, "The Little Red Hen," for the student body in the school cafeteria. This was the first time the special education group has participated in a presentation

with the rest of the student body. They painted all background scenery and took active roles in the performance. Shown preparing for the performance are (left to right) music teacher Billie Sprull, Larresa Sterling, Vanders Lewis, Terry Wright and Special Education teacher Norreen McLean.
