Wade Cemetery Founded 1830

This family cemetery is located in District 16, on the line between Land Lots # 96 & 97 in DeKalb County. From I-285, east on Memorial Drive to Rockbridge Road. Continue on Rockbridge c. 5.5 miles. Turn right on McDaniel Drive c. .8 miles. Dirt road posted "No Trespassing". Cemetery is at the end of dirt road. The area along the west side of McDaniel Drive has been stripped and graded in preparation for some large development, so landmarks may change.

Facing the Wade Cemetery marker (N side of cemetery), row 1 begins right rear corner (W).

Sunken or raised areas that are obvious graves are indicated as "Unm". FS indicates graves with no inscribed marker, but the head and foot of the graves marked with undressed fieldstone. Granite indicates graves which have rough-dressed granite head and foot markers. "small" indicates what is possible a child's unmarked grave.
