Dear Walter:

I enclose my records of both the David Sheppard and the William Sheppard family cemeteries in DeKalb County, both of which I recorded in 1931.

Neither David nor William appears in the DeKalb census of 1840. Only William appears in 1850, as a resident of Anderson's (now Evans') District. William, the head of the family, is listed as age 46, farmer, born in South Carolina. Three others are listed as members of the family, all born in South Carolina. They are Nutty, his wife age 44; Sarah A. E., age 13 and Andrew, age 6. Since the youngest child, Andrew, was born in South Carolina apparently in 1844 it would appear that the family arrived in DeKalb County between that date and 1850.

Hope this information helps.

With kindest regards, I am

Cordially,

Franklin M. Garrett
