

DeKalb History Center

Dr. Tom Keating Project CLEAN

Scope and content: The collection includes materials related to Project CLEAN, founded in 1996, as a program "... to improve the safety, cleanliness, and hygiene of student restrooms in public schools" (from Project CLEAN brochure, 2002). Dr. Keating worked with schools in various countries, including the U.S., specifically schools in DeKalb County, Georgia and the city of Decatur, Georgia. Paper material, as well as digital materials are included. Other artifacts are housed separately with museum collections. Materials cover the years 1996-2020.

Provenance: Gift of Dr. Tom Keating (Accession #2021.35)

Access: Single photocopies may be made for research purposes. Permission to publish materials from this collection must be requested from the Archivist, DeKalb History Center. Citations should be made as follows:

Description of specific item; Dr. Tom Keating, Project CLEAN, DeKalb History Center Archives.

Processed by J Blomqvist, April 2022

Size: 36 document boxes, plus 1 folder of oversized items and museum artifacts

Biographical Sketch of Dr. Tom Keating: Dr. Keating is a long-time resident of Decatur, Georgia. "He served as a school board member, governmental liaison, college instructor, and teacher. He is a graduate of Middlebury College and received his Ph.D. at Claremont Graduate School in education policy and politics. He was a frequent presenter at the Chautaugua Institution and with the Phi Delta Kappa author-seminar lecture program" (from Project CLEAN brochure, 2002). Dr. Keating is also the author of Saturday School: How One Town Kept Out "the Jewish," 1902-1932, a book about the city of Decatur and their efforts to keep Jewish kids out of the schools.

Description: The collection includes posters, notes, school maps, meeting minutes, photographs, student handbooks, videos, staff and student surveys, election materials, and more. Original Order (we keep materials in the order they were received) was maintained during processing of the collection. Project CLEAN is written with "CLEAN" always in capital letters. Dates, in some cases, are written in the European style with Day, Month, Year. Ex: 8 April 2012.
