

Lithonia Landmark to Host Local Businesses and Residents

Davidson Cottage, a historic home near downtown Lithonia, is undergoing a

Davidson Cottage

renovation by Davidson Development Corporation and will serve as an exclusive host

facility for businesses and residents in DeKalb and Rockdale counties.

Set on 2.66 acres of natural environment, Davidson Cottage, with its unique granite exterior, comfortable veranda and multiple rooms, is suitable for a variety of large and small events. Davidson Development Corporation, which manages Davidson Cottage, plans to offer an array of event packages tailored to weddings, receptions and corporate functions at the 2,000-square-foot facility located at 2641 Reagin Street. Packages include event planning, floral

solutions and catering services for bridal showers, weddings, special events, romantic dinners, corporate meetings and family reunions.

"We are excited about this opportunity to take part in the revitalization of downtown Lithonia with the introduction of Davidson Cottage as a destination for individuals and companies desiring a prime location and customized venue for an event," said **Bernadette Tate Corum**, CEO of Davidson Cottage. "Businesses and individuals

who live and work in this area will have a top-tier facility that's ready to host their special event as well provide personalized service in coordinating the occasion."

Davidson Development Corporation is currently accepting reservations for Davidson Cottage. For more information or to schedule a tour of the facility call (770) 484-9445.

Davidson Development Corporation designs, builds and manages special event facilities that enhance the community and exemplify the company's commitment to corporate citizenship and responsibility. The company is based in Lithonia.

Davidson Cottage (www.davidsoncottage.com) was built in 1925 by Norton Alexander Davidson. Granite used to construct the cottage came from Davidson Mineral Properties, a Lithonia quarry founded by the Davidson family in the late 1800s.
