

DeKalb History Center

DeKalb History Center (DHC) Collection

Scope and content: The DeKalb History Center Collection consists of photographs and documents from the history of the organization, beginning approximately 1950 and still being collected. The collection is divided into six series; Administration Files, Financial Files, Audiocassettes, Photographs, Negatives, and Slides. Archivists followed a strict adherence to the original provenance. All folder titles/labels have been kept as they were originally labeled. The DeKalb Historical Society, as it was originally known, was formed in 1947. The collection had many different administrations over the years. The various administrations labeled files differently; correspondence, memos, financial reports and other materials could be filed in various-similarly labeled folders, e.g. Board Meetings 1999 and DHS Board Meetings, 2007. A series of board minutes and financial reports are kept by the Executive Director and are not part of this collection because they are still considered working files.

Provenance: ACC # 1947.5, collected by staff

Access: Single photocopies may be made for research purposes. Permission to publish materials from this collection must be requested from the Archivist, DeKalb History Center. Citations should be made as follows:

Description of specific item; DHC Collection, DeKalb History Center Archives.

Processed by Erica Duvic, 2010, DHC Assistant; David Stanhope, 2019-2024
